

Lane Technology Foundation Scholarship

August 2022 Application

Established in 2021, the Lane Technology Foundation is a 501c(3) nonprofit with a mission to provide financial and foundational support for diverse individuals as they gain their educational training in pursuit of a sustainable career in technology. To be accepted for this scholarship, students must identify as female, and be enrolled at Orange Technical College in the Enterprise Desktop & Mobile Support Technology Certificate Program.

Scholarship Package:

- \$1,000 scholarship grant to be used toward tuition for Enterprise Desktop & Mobile Support Technology Certificate Program at Orange Technical College.
- One laptop computer and supplies.
- Three months paid internship at Lane Technology Solutions.
- Bi-Monthly career mentorship and career preparation assistance.

Our Vision is for everyone to be chosen for, instead of being rejected because of, our differences.

Eligibility:

- Applicants must:
 - Identify as female.
 - Enroll in the Orange Technical College Enterprise Desktop & Mobile Support Technology program.
 - No candidate shall be denied being a recipient of a scholarship based on race, creed, religion, national origin, or any other basis which is prohibited by Section 501c3 of the Internal Revenue Code.

Submission date: **August 5, 2022 @ 5:00pm**

- Submit completed application & supporting documents via email to: application@lanetechnologyfoundation.org
Application & supporting documents must be submitted together to be considered for Lane Technology Foundation Scholarship AUGUST 2022.

Selection Criteria

- In determining the recipient, applicants shall be considered against the eligibility requirements and the judgment of the Foundation's Board of Directors based on the responses to essay questions.

Scholarship Recipient will be chosen on **August 8, 2022**, at the monthly Board of Directors meeting and announced on **August 8, 2022**.

Our Mission

Providing financial and foundational support for diverse individuals as they gain their educational training in pursuit of a sustainable career in technology.

LANE TECHNOLOGY FOUNDATION

Offering a step up to a career in technology.

Our Core Values

The Lane Technology Foundation stands strong against systemic bias and discrimination.

We believe everyone, no matter their ethnic group, gender, culture, religion, lifestyle, language, education, viewpoint, and abilities, adds value to society.

We believe everyone should have the ability to gain an education of their choice without the stress of financial burden.

We believe in providing a multi-layered support system, as we know there is no one clear answer to every issue.

**Purpose guides you – Mission drives you – Vision is what you aspire to –
Impact is what matters.**
